SHINING ON: Sumalatha hosts 'Bathuku Jatka Bandi' on Zee Telugu.

Big stars are making it big on the small screen. Two yesteryear stars who stole limelight on the silver screen in their own inimitable style have now made forays on the Telugu television. If Sumalatha is with the Zee Telugu hosting a show with an appealing title of 'Bathuku Jatka Bandi', then Jayaprada is hosting the show 'Jayapradam' on Local TV.

The Zee Telugu show telecast on Thursdays and Fridays at 9 p.m. has Sumalatha holding an-

chor for a reality show that weaves around real people and their real scenarios in life. It is no dance or song show but one that seeks to dwell deep into human relations based on real life situations. The channel has come out with the show as one that is all about real people, real events and real emotions.

At the same time, following the

path taken up by several others including Suhasini, Jayaprada too has made her presence felt on the small screen. The Local TV has roped in the actress-politician to host 'Jayapradam' in which she will be interviewing prominent film personalities, from legends to the latest.

Who next is the question and viewers can surely look forward to more stars from the big screen enlivening the living rooms with shows on the telly.
